

4/24/98

Dear Hal,

This was the coverage here.

Partner on N.B.C. claimed Pepper and/or "The Ray family is suppressing" a last tape Ray made.

On Inside Edition 4/24 the former Anna Ray again claimed Ray "confessed" to her.

Rather has forgotten his 1975 documentary which considered various questions remain.

Manny also anxious to bury the ghosts of the sixties.

Stay well.

Sincerely,  
Ed Williams
